### **Exhibit C**

### Draft Schedules of Assumed and Rejected Executory Contracts and Unexpired Leases

The Debtors have included a schedule of Executory Contracts and Unexpired Leases that they intend to assume as of the Effective Date or assume and assign in accordance with the Purchase Agreement and the Plan's treatment of Executory Contracts and Unexpired Leases. The Debtors reserve their rights to alter, amend, modify, or supplement this **Exhibit C** with the consent of the Purchaser and consistent with the Purchase Agreement.

Certain documents, or portions thereof, contained or to be contained in this **Exhibit C** and the Third Amended Plan Supplement remain subject to continued review, as applicable, by the Debtors, the Required Consenting Term Lenders, the Purchaser, and the Committee, and the final version of any such document may contain material differences from the version filed herewith. For the avoidance of doubt, the parties thereto have not consented to such document as being in final form and reserve all rights in that regard. The respective rights of the Debtors, the Required Consenting Term Lenders, the Purchaser, and the Committee, as applicable, are expressly reserved, subject to the terms and conditions set forth in the Plan, the Confirmation Order, the RSA, and the Purchase Agreement (including certain consent and approval rights), to alter, amend, modify, or supplement the Third Amended Plan Supplement and any of the documents contained therein in accordance with the terms of the Plan, the Confirmation Order, the RSA, and the Purchase Agreement, or by any other order of the Bankruptcy Court; *provided* that if any document in this Third Amended Plan Supplement is altered, amended, modified, or supplemented in any material respect prior to the Effective Date, the Debtors will file a redline of such document with the Bankruptcy Court.

Article V of the Plan, as approved by the Confirmation Order, provides that each Executory Contract or Unexpired Lease not previously rejected, assumed, or assumed and assigned shall (i) in the event of an Equity Investment Transaction or a Recapitalization Transaction, be deemed assumed or assumed and assigned, as applicable; or (ii) in the event of an Asset Sale, be (a) assumed or assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement, as applicable, if it is listed on the Schedule of Assumed Executory Contracts and Unexpired Leases; (b) assumed and assigned to the Purchaser or a designee in accordance with the Purchase Agreement if it is not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and does not relate exclusively to Excluded Assets or Excluded Liabilities; or (c) rejected if it is (x) listed on the Schedule of Rejected Executory Contracts and Unexpired Leases or (y) not listed on either the Schedule of Assumed Executory Contracts and Unexpired Leases or the Schedule of Rejected Executory Contracts and Unexpired Leases and relates exclusively to the Excluded Assets or Excluded Liabilities. For the avoidance of doubt, the foregoing shall not affect any Executory Contract or Unexpired Lease that is (i) explicitly designated by the Plan or the Confirmation Order to be assumed or assumed and assigned, as applicable, in connection with the Confirmation of the Plan; (ii) subject to a pending motion to assume such Executory Contract or Unexpired Lease as of the Effective Date; (iii) a D&O Liability Insurance Policy; or (iv) a contract, instrument, release, indenture, or other agreement or document entered into in connection with the Plan. The assumption of Executory Contracts and Unexpired Leases hereunder may include the assignment of certain of such contracts to Affiliates.
